WITH PLL EYE OPENER**

Spotlight on targeted points
to open the eyes

ILLUMINATING SMOOTHING
EYE OPENER

SALES SCENARIO

“Hello, welcome to HELENA RUBINSTEIN, the youthful complexion expert.”

“What would you like to enhance in your eye zone ? Show me...”

“I would like my eye zone to be radiant and younger. I need to awake and refresh my eye contour. I think that my skin around the eyes is dull, and I have circles.”

[While applying PRODIGY LIQUID LIGHT EYE-OPENER on the client’s hand].

“Let me introduce you PRODIGY LIQUID LIGHT EYE OPENER, the new HELENA RUBINSTEIN illuminating and smoothing eye opener.

PRODIGY LIQUID LIGHT EYE OPENER, thanks to the liquid light complex and the power of bio-sap, is the “band of light”, that provides a visibly wide-open, smoother, radiantly fresh and youthful-looking gaze.

PRODIGY LIQUID LIGHT EYE OPENER illuminates and evens out the skin from one temple to the other, with a transparent sheen.

It is the ideal complementary step to a concealer and is a new, original and easy-to-use “light enhancing” eye opener that will revolutionize your beauty routine.

More over, PRODIGY LIQUID LIGHT EYE OPENER has an ergonomic metal applicator, that gives fresh and invigorating effect to the skin.”

First of all, because skincare is 50% of make up result, prepare the skin with Prodigy Powercell range for a daily protection and repair or your usual HELENA RUBINSTEIN skincare.

- 1) Apply PLL Eye-Opener from temple to temple, including full eye contour and top of the nose with the applicator.
- 2) Blend it as a veil, all over the eye zone by tapping on with fingertips.
- 3) Shake the bottle and apply Prodigy Powercell Foundation all over the face blending it outward.
- 4) Erase the dark areas with Magic Concealer (dark circles, outer corner), and blend it tapping on.
- 5) Apply precisely targeted spotlights on the upper point of the arches, and the inner corner to open the eyes.

“Madam, if you have a moment, I would be more than happy to show you how to do this quick beauty makeover at home.”
