“Do you want to look younger with a matte luminous complexion?”

[BA's showing Prodigy Compact on her hands]

“ I'd like to introduce to you PRODIGY COMPACT FOUNDATION, the new HR compact foundation that **instantly mattifies, illuminates and smoothes the skin as if polished** for a visibly **rejuvenated complexion**.

Its **caring formula**, perfectly acts in synergy with the PRODIGY skin care range .

Its **lightweight and comfortable texture blends into the skin, without mask effect and absorbs excess of sebum** for a **12 hours comfort**.

Moreover , it contains a **SPF 35 / PA+++ filter** that protects from **photo-ageing**.”
