

EVALUATE YOUR SKIN'S YOUTH POWER

For each question, tick the box corresponding to your level of answer (NEVER / SOMETIMES / OFTEN / ALWAYS). After answering all questions, calculate your skin's youth power by adding each number (NEVER = -2 / SOMETIMES = -1 / OFTEN = +1 / ALWAYS = +2).

Then, report your skin's youth power in the battery (below «your score») and complete your power until your score. Discovery on the back of the sheet your personal routine according to your skin's youth power.

POLLUTION

Do you try to minimize time under internal pollution? (radiations from computers, cell phone & other gadgets)

Do you try to minimize time under external aggressions? (pollution, smoke, ozone, PM2.5...)
