# HYDRA COLLAGENIST

---

## **HYDRA COLLAGENIST deep hydration anti-ageing intensive serum**

A silky, hydra-densifying fluid. Its light texture offers skin an initial water-light feel which transforms beneath fingertips into a sensation of true comfort. Diffused to the very heart of skin, it hydrates and retextures intensively.

## **HYDRA COLLAGENIST deep hydration anti-ageing cream**

This retexturing hydra-densifying care is available in two textures.

-Melt-in gel-cream suited to all skin types. Its gel texture liquefies with epidermis, before being instantly absorbed. It leaves a sublime sensation of freshness and lightness on skin.

-Rich and deeply hydrating cream enriched with lipids, specially designed for dry skin. It penetrates deeply to soothe skin. Better hydrated, skin feels more comfortable.

## **HYDRA COLLAGENIST deep hydration anti-ageing eye-care**

A silky, hydra-densifying gel-cream texture that melts into skin, specifically formulated for the eye contour. Soft and cool on application, it soothes skin. Fragrance-free to respect the fragile eye area. Tested under ophthalmological supervision.

## **HYDRA COLLAGENIST deep hydration mask**

A rich, generous and velvety hydra-densifying texture applied over the entire face in a generous layer to intensively infuse skin with moisture. A single application = +49% hydration. This effect persists for at least 8 hours.

# COLLAGENIST with pro-Xfill

---

## **COLLAGENIST with pro-Xfill replumping filling care anti-wrinkle - firmness**

Cream which has the effect of a replumping injection (without injection), its elastic-bounce texture is both melt-in and hydrating. It infuses skin, instantly smoothing and replumping whilst offering freshness and comfort.

## **COLLAGENIST NIGHT with pro-Xfill densifying fortifying care anti-wrinkle - firmness**

A delectable cream enriched with vegetal oils (rice bran, apricot, Shea butter) released continuously, all night long. Its luxurious texture leaves skin nourished and comforted with a delicious sensation of freshness and well-being.

## **COLLAGENIST EYE ZOOM with pro-Xfill firming replumping eye care - anti-wrinkle - anti-sunken effect**

A hydrating texture full of bounce and comfort (beeswax and shorea butter) teamed with an expert digital applicator tip, to instantly awaken eyes, while illuminating and smoothing. This evanescent cream is rapidly absorbed. Fragrance-free to respect the fragile eye area. Tested under ophthalmological supervision.

## **COLLAGENIST LIP ZOOM with pro-Xfill replumping lip balm instant volumizer - anti-wrinkle**

An ultra-nourishing balm texture that instantly beautifies lips with natural shine. Both melt-in and hydrating, it instantly infuses lips with suppleness and comfort.

# COLLAGENIST V-LIFT

---

## **COLLAGENIST V-LIFT tightening resculpting cream lift-firmness-anti-wrinkle face & neck**

A contouring “hook” texture endowed with a wave-structure tautening polymer allowing a tautening mesh to be created over skin’s surface for an instant “lift” effect. Skin is retightened as though hooked.

## **COLLAGENIST V-LIFT NIGHT contour reshaping cream draining-lifting face, neck & chest**

This refreshing, supple and silky massage cream promotes natural tissue drainage and thus refines the face overnight.

## **COLLAGENIST V-LIFT instant lift serum resculpted contours face, neck & chest**

Instant lift effect “hook” texture. Skin is instantly tautened, as though lifted, and smoother. Lower facial volume is visibly reduced after just 1 hour.

## **COLLAGENIST EYE-LIFT retightening eye-lid cream lift, anti-wrinkle**

Its refreshing, melt-in “hook” texture with tautening polymers procures an instant eyelid lift effect. Fragrance-free to respect the fragile eye area. Tested under ophthalmological supervision.

# PRODIGY POWERCELL

---

## **PRODIGY POWERCELL Youth Grafter the serum**

Its evanescent and luxurious express-diffusion texture initially offers a water-light sensation, like an airy fluid, followed by a voluptuous sensation of luxurious comfort. High-precision, a single drop of product on the tip of its pipette is enough to infuse the face with youth.

## **PRODIGY POWERCELL Youth Grafter the cream**

Refreshing the moment it touches skin, this gel-cream instantly infuses all its softness, bathing skin in a delectable sensation of comfort.

## **PRODIGY POWERCELL Youth Grafter the eye care**

For fresh eyes and an instant reinvigorating effect, this care product is equipped with a high-precision metallic applicator for an instant smoothing effect. Its coolness is coupled with a liquid cream texture to instantly fade puffiness. Fragrance-free to respect the fragile eye area. Tested under ophthalmological supervision.

## **PRODIGY POWERCELL NIGHT SHOT Youth Grafter the night serum**

A genuine “shot” of overnight regeneration and repair for skin, its texture, is highly-concentrated in oceanic crista stem cells (X5 VS day serum), auto-diffusing and nutritive. High-precision, a single drop of product on the tip of its pipette is enough to infuse the face with youth and comfort.

## **PRODIGY global anti-ageing concentrate**

A prodigious texture whose unique personality emerges as it is applied. It is empowered with an extraordinarily rich selection of active ingredients and bestows an unforgettable initial impression of sumptuous silkiness before melting into skin to leave a sensation of lightness, softness and comfort.

Velvety and luminous, skin's beauty reflects the exquisite pleasure it has enjoyed.

Its powdered matte finish offers an excellent make-up base while blurring skin imperfections.

To unite as many active ingredients in one formula, the HR laboratories have achieved a genuine feat: "encapsulating" the different active ingredients by type in separate zones. This prodigious skincare is available in 2 textures: a silky melt-in cream for NCS and a highly nourishing, high-comfort melt-in cream for DS.

## **PRODIGY EYES global anti-ageing concentrate eye balm**

Rich and ultra melt-in, this emulsion procures instant freshness (surprising sensation, contrasting with the richness of its texture). It also contains color-correcting mother of pearl and textile fibers with instant visual blurring effects (anti-dark circles and fine lines). The sensorial experience of a unique texture, with subtle notes of rare essential oils, surprisingly creamy and dense, for the pure pleasure of a matt finish combined with ultimate comfort. Tested under ophthalmological supervision.

## **PRODIGY EYE ZONE SERUM global anti-ageing eye care**

A genuine fusion-veil, its texture metamorphoses deep within skin, melting among the natural ceramides of skin's inter-cellular cement to help reinforce its protective barrier. It delivers the quintessence of Bio-Sap, enriched with a potent tautening active ingredient, to the very heart of skin. Fragrance-free to respect the fragile eye area. Tested under ophthalmological supervision.

## **PRODIGY NIGHT TISSULAR global anti-ageing concentrate**

This generous, densely textured cream creates a soothing protective film at skin's surface with a non-oily finish (silica). Its rich texture offers a comforting, relaxing massage. Combined with relaxing stress relieving perfume with ylang ylang essential oils, this cream diffuses into skin throughout the night (oil and wax fractions absorbed gradually) to comfort skin tight through till morning.

# PRODIGY EXTREME

---

## **PRODIGY EXTREME ultimate rejuvenating cream**

A rich, enveloping texture which melts in to fuse with skin offering luxurious comfort for a cocooning sensation. Preciously and delicately perfumed, it is a masterpiece of sumptuousness. This cream associates the silky softness of silicones with the intense nourishment of rich waxes and oils. It thus procures instant well-being and nourishment while offering an ideal make-up base.

## **PRODIGY EXTREME EYE AND LIP ultimate rejuvenating cream**

Its texture features the same sensorial properties as PRODIGY EXTREME ultimate anti-ageing concentrate, with ultra-concentrated hydration (10% glycerol) and nourishment (jojoba oil) to nourish skin in-depth whilst smoothing its surface. Diakalytes (patented light reflecting pigments) bring instant radiance and allow immediate eye and lip contour make-up application. Lipstick no longer feathers. Tested under ophthalmological supervision.

## **Re-PLASTY MESOLIFT lifting-radiance intense cream - SPF 15**

An intensely dense, contouring cream for an instant revitalization-lift and active protection. Its SPF 15 Glow Filter complex instantly creates ideal skin lighting while protecting the face from the harmful effects of ultra-violet rays. Apply a small in a veil over skin for its lifting action on skin plasticity to be instantly noticeable.

## **Re-PLASTY MESOLIFT lifting-radiance extreme concentrate**

A true gem texture of high-technology, this concentrate penetrates skin for instantly visible anti-ageing potency.

An absolute must-have, this emulsion (10% pure vitamin C) is endowed with a prodigiously fluid texture, to instantly infuse and energize skin for an instant lift and radiance effect.

## **Re-PLASTY MESOLIFT reviving extreme gel for eyes**

This refreshing expert gel glides over skin for instantly visible smoothing revitalization of the eyes. Fragrance-free to respect the fragile eye area. Tested under ophthalmological supervision.

# Re-PLASTY HD PEEL

---

## **Re-PLASTY HD PEEL refining cream - SPF 10**

A rich, resmoothing emulsion which creates a soothing protective film at skin's surface. Lipid-rich in appearance, this treatment offers skin extreme comfort to counterbalance its exfoliant ingredients (glycolic, lactic and phytic acid + 0.35% LHA). Its SPF 10/PA+++ protection shields skin from photo-ageing and prevents the appearance of age spots.

## **Re-PLASTY HD PEEL high potency retinol anti-wrinkle night concentrate**

A high-performance silk-texture fluid as delicate as a silk scarf. Its high-concentration texture is enriched with 0.1% retinol (anti-ageing) as well as a Vitamin E derivative (anti-free radical) is instantly absorbed for remarkable smoothing, skin renewing and anti-ageing results. Avoid the eye contour. Each day, use alongside Re-PLASTY HD PEEL refining cream SPF 10. If necessary, space out applications until skin becomes accustomed to the high retinol concentration.

## **Re-PLASTY HD PEEL perfect skin renewer instant peel mask**

An ultra performance formula for luminous, soft, smooth skin. This aqueous gel texture mask is extremely gentle (triple exfoliant acid solution +10% hepes – keratolitic – are counterbalanced by 10% urea – hydrating). It should be used once or twice a week, applied in a generous layer, avoiding the eye contour, and left on to act for 5 minutes.

# Re-PLASTY LASERIST

---

## **Re-PLASTY LASERIST intensively brightening anti-dark spot concentrate**

A silky, delicately fragranced serum texture which melts into skin for an intensely velvety finish and instantly illuminated skin.

## **Re-PLASTY instant dark spot corrector**

This lightly tinted skin care accurately targets dark spots on the face and hands and allows to immediately hide dark spots melting with the color of the skin.

**PRECAUTIONS FOR USE:** Avoid the eye contour area. Use with high-factor anti-UV protection (SPF 15 minimum) during the day.

# Re-PLASTY AGE RECOVERY

---

## **Re-PLASTY AGE RECOVERY skin repair accelerating night care**

The “band-aid effect texture”: a feat of formulation, this melt-in balm transforms on application to envelop skin in soothing comfort. Its “band-aid effect” texture leaves skin visibly repaired. Night care which contains the highest rate of pro-xylane (30%).
